Hi Percy,

Sorry for the delay. As we mentioned in our phone conversation, we have a few minor edits we would like to include on the draft 70F Clearance Letter (please see the attachment). Also, please have Alicia McAndrews in legal review it to make sure everything is OK.

Thanks  
Richard

Here is a letter I worked with Eddie in Tier 1 to create. At one point I believe I ran it past Tech Compliance, but can't recall who. Can you work with Richard and/or George to see if it is acceptable. If it is, discuss it with Renee to see if we can include it in the SSC 70F info on KM.
